1. Introductions
 Brad discussed the teleconference format. All members introduced themselves.
2. April Minutes – Approved
3. Report on Geese
 Discussion of goose management technique. Bill noted that it had been very successful. Also discussion of swan nests.
4. Water for Rt. 2 Dogwoods
 Stroker is still waiting for a report from Christine Atkinson. Generally they are doing pretty well. Bill reported that about 70% have survived. Brad reported that 37 appeared alive and 7 had died. General discussion of many new trees along the shore. Discussion of how the dredging will affect the path and trees.
5. Treatment Plan for Spy Pond
 Brad has talked with Emily who has been in touch with Solitude Lake Management. Hopefully the treatment will be done around May 15th. Brad reviewed the process for newcomers. Irwin talked about the recent consulting report about Spy Pond. Brad reviewed the plant life cycle over the year.
6. Depths of Spy Pond
 Brad discussed ways to manage the levels of phosphorous.
7. New Business
 This meeting was the traditional last meeting before the summer break. Brad said that regretfully the annual BBQ would not happen. There was

a discussion of having a teleconference meeting during the summer if needed.

8. The meeting was adjourned at 8:45pm.
